## A report of the webinar on COVID-19

A two-day international webinar entitled "Covid 19: the biggest threat to human civilization and medical science" was organized by our institution during pandemic period on 18-19<sup>th</sup> July 2020. The main motto was to provide accurate, up-to-date information about COVID-19 including its symptoms, transmission methods prevention measures, and available resources for testing and treatment procedure to the teachers, students, staffs and also to the society. Six distinguished National and International repute scientist namely 1. Dr. Kunal Sarkar, Cardiologist 2. Dr. Sibabrata Banerjee, Internal medicine 3. Dr. Sayanti Ghosh, Psychiatrist 4. Saibal Dey, Professor of biochemistry and molecular biology 5. Dr. Rajendra Narayan Mitra, R & D team leader, Gene Therapy Company, Florida, USA 6. Dr. Tanmoy Samanta, Department of Physics and Astronomy, George Mason University, USA graced this webinar by disseminate their valuable knowledge regarding this topic. Programme started with welcoming address by our respected Principal Sir Dr. Asim Kumar De. More than 250 delegates were participated in this webinar. On the final day, there were paper presentations by the interested teachers and students. At the end vote of thanks was addressed by Dr. Krishanu Sarkar, assistant professor of the department of Chemistry. Indeed it was a very informative and useful webinar for all of us.
