Report of Seminar on Swachata: The Way Ahead

A seminar on a topic of utmost importance to students, faculty and all academicians namely 'Swachata: The Way Ahead' was organized by NCC department of our college on 22.08.2018 at 11:30 am in college smart classroom. After our college faculty, Assistant Professor and Lieutenant Mr Santu Bhaluk and Subedar-Major Nabin Khatta of NCC delivered their introductory lectures, Dr Tirthankar Mallick, Head of the Department, Department of Environment Science delivered an interesting lecture on the above-mentioned topic. The seminar aimed to explore strategies and initiatives for achieving cleanliness and sanitation goals, emphasizing the importance of cleanliness for public health, environmental sustainability, and community well-being. The seminar began with an overview of the significance of swachata (cleanliness) in promoting health, preventing diseases, preserving natural resources, and fostering a sense of pride and dignity among communities. Participants discussed the link between clean surroundings and overall well-being, highlighting the role of cleanliness in poverty alleviation and social development. About 52 NCC cadets of our college attended the lecture. The seminar ended by a vote of thanks by Lieutenant Mr Shantu Bhaluk, NCC officer of our college. The beloved students participated and successfully completed the session and gained a great insight about the significance of the said topic. Overall, the seminar provided a platform for dialogue, knowledge sharing, and collaboration to chart the way forward for swachata and accelerate progress towards achieving cleanliness and sanitation goals for all.

A report of the webinar on COVID-19

A two-day international webinar entitled "Covid 19: the biggest threat to human civilization and medical science" was organized by our institution during pandemic period on 18-19 July 2020. The main motto was to provide accurate, up-to-date information about COVID-19 including its symptoms, transmission methods prevention measures, and available resources for testing and treatment procedure to the teachers, students, staffs and also to the society. Six distinguished National and International repute scientist namely 1. Dr. Kunal Sarkar, Cardiologist 2. Dr. Sibabrata Banerjee, Internal medicine 3. Dr. Sayanti Ghosh, Psychiatrist 4. Saibal Dey, Professor of biochemistry and molecular biology 5. Dr. Rajendra Narayan Mitra, R & D team leader, Gene Therapy Company, Florida, USA 6. Dr. Tanmoy Samanta, Department of Physics and Astronomy, George Mason University, USA graced this webinar by disseminate their valuable knowledge regarding this topic. Programme started with welcoming address by our respected Principal Sir Dr. Asim Kumar De. More than 250 delegates were participated in this webinar. On the final day, there were paper presentations by the interested teachers and students. At the end vote of thanks was addressed by Dr. Krishanu Sarkar, assistant professor of the department of Chemistry. Indeed it was a very informative and useful webinar for all of us.

Report of Seminar on Intellectual Property Rights

A seminar on a topic of utmost importance to students, faculty and all academicians namely 'Basic Concepts of Intellectual Property and its Rights' was organized by IQAC of our college on 17.08.2022 at 11:30 am in college auditorium of our college. After our Vice-Principal Dr. Biswanath Garai delivered his introductory lecture, Amiya Kumar Kalidaha, Senior Scientific Officer, Department of Science and Technology and Biotechnology, Government of West Bengal (DSTBT-GoWB), delivered an interesting lecture on the IPR which provide exclusive rights to the inventors and creators of that property, in order to reap commercial benefits from their creative efforts. Among the topics discussed, the knowledge of patent, copyright, trademarks, plagiarism caught the fancy of the students and faculties. About 52 students and 42 teachers attended the lecture. The seminar ended by a vote of thanks by Dr. Abhijit Mukherjee, IQAC coordinator. The faculty members and staffs of our college, along with our beloved students participated and successfully completed the session and gained a great insight about the significance of the said topic.

Report of Seminar on Biodiversity Conservation Through Bird Protection

A seminar on a topic of 'Biodiversity conservation through bird protection' was organized by IQAC of our college on 16.03.2023 at 11:30 am in our college auditorium. After the introductory speech by our Principal Dr Asim Kumar De and Vice-Principal Dr Biswanath Garai, two speakers Dr Anindya Bhattacharya, Assistant Professor of the Department of Economics, Netaji Mahavidyalaya and Dr Debnarayan Saha, Associate Professor of the Department of Zoology, RRRMahavidyalaya delivered their lectures respectively related to the above-mentioned topic. The seminar began with an overview of bird diversity, highlighting the vast array of species found in various ecosystems specially in West Bengal, followed by the discussion of the significant threats facing bird populations, including habitat loss, climate change, pollution, invasive species, and direct exploitation. Participants learned about the ecological roles of birds, including pollination, seed dispersal, pest control, and ecosystem maintenance and gained insights into the specific impacts of these threats on different bird species and ecosystems. The seminar featured case studies highlighting successful bird conservation projects from around the world. Participants learned about innovative approaches to addressing specific threats and promoting coexistence between birds and human activities. About 35 teachers and 150 students attended the seminar. The seminar ended by a vote of thanks by Dr Amit S Tiwary, IQAC coordinator. The faculty members and students of our college participated and successfully completed both the sessions and gained a great insight of the said topic.

B. Garai

Report of Seminar on Plastic Waste Management

A seminar on a topic of 'Plastic Waste Management' was organized by IQAC of our college in collaboration with Department of Environmental Science, Netaji Mahavidyalaya on 12.04.2023 at 1:30 pm in our college auditorium. After our Principal Dr Asim Kumar De and Vice-Principal Dr Biswanath Garai delivered their introductory lectures, Mr Koushik Banerjee, BDO of Arambagh delivered a very significant lecture on the above-mentioned topic. The seminar on plastic waste management aimed to address the growing environmental problem posed by plastic pollution and explore effective strategies for its mitigation and management. The seminar began with an overview of the scale and impact of plastic pollution on the environment, highlighting its detrimental effects on ecosystems, wildlife, human health, and marine life. Participants gained insights into the sources, types, and persistence of plastic waste in the environment. Among the topics discussed, the challenges associated with plastic waste management, including inadequate infrastructure, limited recycling facilities, inefficient waste disposal practices and highlighting successful plastic waste management initiatives like plastic road and brick formation by the Government of West Bengal caught the fancy of the students and faculties. He also demonstrated how to make plastic bricks from the plastic bottles and refuses during his lecture. About 30 teachers and 35 students attended the lecture. The seminar ended by a vote of thanks by Dr Amit S Tiwary, IQAC coordinator. The faculty members and students of our college participated and successfully completed both the sessions and gained a great insight about the significance of the said topic.

Report of Seminar on Value Education in the context of New Education Policy

A seminar on a topic 'Value Education in the context of New Education Policy' was organized by the department of Philosophy in collaboration of IQAC of our college on 18.04.2023 at 11am in our college auditorium. After the welcome address by our honourable Principal SirDr. Asim Kumar De, our distinguish speaker, Prof. Asha Mukherjee, former Professor of the Department of Philosophy and Comparative Religion, Visva-Bharati University, Shantiniketan, Birbhum, delivered an interesting lecture on the value education in the context of New Education Policy. She thoroughly discussed how the value education holds immense significance within the framework of the New Education Policy 2020. By integrating values into the curriculum and fostering a culture of ethical leadership, the NEP aims to nurture well-rounded individuals capable of contributing positively to society. Effective implementation strategies, including curricular integration, teacher training, and community engagement, are essential for realizing the vision of holistic development outlined in the NEP. Through collective efforts, India can build an education system that not only imparts knowledge but also instils values, preparing students to lead fulfilling lives and make meaningful contributions to the world. About 58 students and 28 teachers attended the programme. The seminar ended by a vote of thanks by Dr. Abhijit Mukherjee, IQAC coordinator of our college.
