Many girl students of this college hailing from ST community come from as long as 150km away to get enrolled in the Dept. of Santali to pursue Honours course of the same subject as first-generation learners. They are provided food and lodging in the ST girls Hostel of the college at free of cost. They are also provided some land adjacent to the said hostel where they produce different types of crops with their experience of cultivation back home where they used to help their parents in the same. The college also tries to develop their skill in sports and games in different ways. Most notably, special training is given to them along with the SC students under Affirmative Action Program of TCS. It not only ensures their employability in future but also their mixing with the students of the general category, the kind of cohesion which is rarely found in the general classes. Their performance in their specific culture is also encouraged on different occasions. In a word, the college tries in every possible way to develop their academic, cultural development as well as the development in sports and games which creates job opportunities for them in the days ahead. It endeavours in that way to integrate them with the mainstream of the society, which is in keeping with the vision of the college related to the issue of gender equity side by side with the socio-economic mobilization of the so far neglected.
